

Dear Tony Fire:

Greetings, in Jesus Name.

We Praise God for His bountiful blessings. What a blessing to have met with you and your team! We have had many testimonies coming in since your departure.

We Praise The Lord for your ministry and the anointing of God upon the entire team. The one day conference has been a great blessing to the Body of Christ, mostly the Pastors in Liberia. Since that day, I have on several occasions laid hands on people who had infirmities and they recovered instantly. In fact, many times I have involved other Pastors and Ministers and we have seen Great Moves of God! So, presently there is a Great Move of God in our churches as a result of the ONE DAY CONFERENCE. There are uncountable deliverances taking place in most of our branches.

Presently, there is a great and urgent request for your return to Liberia by most of the Pastors, Ministers and the Body of Christ in Liberia. We feel that if you spend more time with us, there will be Great Impartation and the Pastors and Churches in Liberia will be greatly blessed.

We say Thanks be unto God for the entire team for considering Liberia and we are praying for your immediate return, in Jesus Name!

Looking forward to seeing you soon,
We Praise God,
Your's In Christ,
