Some Pastor Testimonies as recorded by Rev Kettor:

- “I thank God for this conference with Pastor Tony and Bro Casey, who have come, spending all they have for the success of this conference. I pray that God bless them! One thing that impressed me in this conference for our rural pastors that they are so receptive to the teaching. They were completely lost in ministry. This means all the churches were DEAD! But the teaching and ministry has brought resurrection life to the Church. Hearing the testimonies of the rural pastors how the conference helped them and also changed their lives and erased their traditional ways of ministry. Where they used to push people down and shouting to pray for people. Now they know the truth about how to pray. To walk in communion with the Holy Spirit and just to lay on hands, speak the word with low tone and the sickness will disappear. They all practiced this and it happened! Now the churches and pastors have learned and will go back and teach those that were not in the conference. I also learned that even if somebody is dead, you can pray for them to come back to life. It is not me, but God that brings the life, my job is just to pray. I am so happy for this conference. So many people got healed, it is amazing. Bless you all.
- “I was shocked with what I heard. Before coming to the conference, I didn’t know how to pray. I thought I just push people down. I learned that I just speak the word and trust the Spirit. The conference has blessed me so much. When I went to the Outreach yesterday, I was shocked that when I laid my hands on a lady with back problems, she was instantly healed. Oh my God, this is really the first time in my life to see such Instant Power of God. I thank God!”
- “This was a great experience for me that I received from this teaching. I learned so much. I learned that I can speak in a low tone and the sick will be healed. When I went home last night I learned that my wife was sick with severe pain. All I did was to lay hands on her and gently spoke and command the pain to go and she was immediately healed. I have never seen such a thing! I have been revived in my life and ministry!”
- “Before coming to the conference, there was a great fear in my life whenever I prayed for a person that they would not be healed and I would not have power. I did not have any idea what I was doing. When I went thru this training, I learned how to properly pray for someone and to work with the Holy Spirit. I practiced this yesterday in the outreach. A lady was suffering with stomach ailments and I asked if I could lay my hand on her and pray. Before I could even pray, the lady confessed that she was healed! That released such faith in me that I have the Anointing of God. I know that I can pray for any sick person any place, anytime!”
- “The teaching brought a great change in my life. As a deliverance minister I didn’t have any idea what I was doing before and I harmed people. Thru the teaching I learned how to properly help someone. I have learned how to honor the Holy Spirit. There was a lady at the outreach that was demonically oppressed that had night demons coming to her. She was involved with the demons. I led her thru the simple deliverance and then prayed for her and all her pains instantly disappeared. Oh my God, I am totally amazing at how easy deliverance can be when trusting Holy Spirit’s lead to help the people.”

- “I am a United Methodist pastor. I was very hesitant to come to this conference. This teaching has changed my life, especially in the area of praying of people. When I went home my wife asked me to eat and I told her that I was not hungry. My wife asked what was wrong with me. I was weak in my body and my wife also was sick. My wife said this is very unusual for you to come home without eating. I asked my wife if I could lay my hands on her and pray for her, I did and she was totally, instantly healed. She was shocked, absolutely totally shocked. I was a minister of the gospel but never demonstrated the Holy Spirit and Power. Then I told her the training that I had received. Then I laid my hands on myself and prayed for myself and the weakness totally left me! I can now say that I truly am A New Creation!”
- “I am very, very happy when I left the conference hall. For the first time in my life when I went to the outreach, the first 2 people I pray for, a lady with stomach pain and also a man with back problems. I lay hands on them they were instantly healed. This is the first experience in my life as a pastor to see someone healed under my hand INSTANTLY! I cannot express what has happened to me, it is so God, it is so good, All Glory to Him!”
- “When I came to cotton tree to establish a church one year ago, people began to come in the church. Then great fear came to me and I accepted it and I got sick. I went to all the hospitals with no one able to help me. Great fear seemed to attend me. When I came to conference and the man of God laid hands on me, the sickness INSTANTLY left me and so did the Fear. Then I went to the outreach and laid hands on a man that was suffering with serious problem with his arms and he was Instantly healed. Then one after another I saw miracle healings thru my hands. This conference has restored my confidence and my life. I cannot express enough how grateful I am!”
- “From where I am standing I think I benefitted more than any other pastor in this conference. I was completely lost and completely disarrayed.. I didn’t know what to do. But when I came in this conference and sat under this anointed teaching I learned how to pray for the sick, how to speak the word with low tone, not push, ask permission and listen to the Holy Spirit. I realized that I was truly lost. When I came to this conference I was sick with bad headaches, I got prayer from the man of God and was instantly healed and he said “you will be doing what I am doing today!”. He was right. When I went to outreach I prayed for a man with a pain in the neck. I prayed and saw the pain Instantly removed. Then I prayed for many more and saw the same instant miracles. I now have a new revelation and Holy Spirit power for the restoration of my ministry. I am so thankful!”
- “This conference has showed me that I was practicing tradition in my church instead of working with the Spirit. I used to push and try to make things happen. I thought power was my being violent with people. But when I came to this conference I got to know that I was doing wrong to the people and hurting them. I know now that it is By The Spirit. Now I am going back to my church with new revelation. Everywhere I go I will teach people the correct God way. I thank God so much for this conference! When I went to the outreach I practiced what I learned at the conference. I first prayed for a man with severe pain in his arm and it instantly disappeared. Then all the others I prayed for were instantly healed also. I have learned so much and I am going back to my church a truly changed man, a pastor to my people, doing away with tradition and once again being led by the Spirit!”
- “When I came to cotton tree to establish a church, I got people together but all the people left and scattered and went to other churches. I was confused. I thought that I was not really sent by the

Lord. When I came to the conference and got under this anointed teaching I came to understand as the Spirit spoke to me, that all that was happening was my own fault. Now I know it was me. I sought God for forgiveness. I practiced praying for people at the outreach and saw what I have never before seen, people instantly healed from all manner of disease. I am restored!”

- “I came here as deliverance minister. I suffered a bad heart and was confused about how this could be on me. When I came in the conference and got prayer I was immediately healed. I was totally amazed! Never such things have I heard and seen as in this conference. I learned about The Holy Spirit and have begun now a true relationship with Him. When I went to the outreach there was a girl possessed with a marine spirit. I helped her to get delivered with the Real Power now. Way different than what I was doing before. I am so happy for that.”
- “God has given me a new experience at this conference and now my life and ministry are radically changed, thank You Jesus!”
- “What I learned from this conference I will practice, everywhere I go I will lay hands on the sick and the sick will be healed. NO MORE sitting, I will go from house to house to pray for people because I now know that I have the power of God with me!”
- “Now I know that I just move as Holy Spirit moves. To know Him more and more. I have now practiced this at the outreach and watched Instant Healing. I am amazed. I will now carry this back to my church and teach my people and practice this always!”
- “I think I have benefitted more than anyone. I now know how to receive a word of knowledge from the Holy Spirit. I am going back to my church with confidence to teach my people how to pray, just as I did in the outreach when I prayed for so many that were instantly healed!”
- “I am overjoyed to attend this conference. I was hesitant to attend this conference, thinking it would be like so many others, lots of words, but without true power. But I thank God that I came! I learned about Holy Spirit, about prayer, about how to work and flow with Holy Spirit. I came sick and was totally, instantly healed. When I went to the outreach I laid my hand on the sick and watched what I have never seen before – total INSTANT healings!”
